

2011 Annual Report

Motivated by Christian faith, COBYS Family Services educates, supports, and empowers children and adults to reach their full potential. We carry out this mission through adoption and foster care services, counseling, family life education, and a permanency program. The past year was characterized by growth in foster care and counseling ministries, strong giving and financial health, and the discontinuation of one program.

During the past year (July 1, 2010–June 30, 2011), nearly 70 staff (28 full-time) served children and families in these ways:

Adoption. Adoption staff finalized 27 adoptions of foster children and provided additional services to 132 foster children and 34 foster/adoptive resource families. An affiliate of the Statewide Adoption & Permanency Network (SWAN), the COBYS adoption program offers six services: family profiles, child profiles, child preparation services, child specific recruitment (for harder to place children), legal finalization, and post permanency services for adoptive families (whether or not they adopted through COBYS). Sixteen families received post permanency services, which was an area of growth in the adoption program.

In addition to these SWAN-related services, COBYS provided

birth parent counseling to eight families facing unplanned pregnancies and worked with eight families who are seeking to adopt through the infant adoption program. Two infant adoptions were finalized.

Counseling. COBYS therapists provided 2,110 hours of therapy during the year, a 36 percent increase over the previous year. The growth was fueled by the addition of experienced part-time Attachment and Trauma Therapist Laura W. Miller, LCSW, in September, who provides services primarily to COBYS foster children and adopted children. After receiving a key insurance certification in July, COBYS is poised to expand service to children with trauma and attachment disorders in the coming year.

Michele Romeo Martin, Psy.D, began in October as part-time Supervisor of Counseling Services and has brought energy and vision for expanding COBYS counseling services.

COBYS offers individual, family, and marital counseling on a sliding scale basis for uninsured clients. Therapists address relational issues with couples and

families; depression, anxiety, and other mood disorders; ADHD; and more. A "Benevolent Fund" supported by private donations enables COBYS therapists to serve all clients, regardless of the fee they are able to pay.

Family Life Education.

COBYS Family Life Educators led 27 courses and 71 workshops, providing 1,273 adults, youth, and children with skills, information, and encouragement to strengthen family bonds. A total of 34 churches, schools, and community groups partnered with COBYS to provide these programs.

A significant two-year grant through the Pennsylvania Commission on Crime and Delinquency, beginning in January 2011, helped offset a 45 percent reduction in funding from the Lancaster County Drug and Alcohol Commission. COBYS is eager to partner with churches, schools, and community agencies to offer programs to strengthen family relationships and reduce risk factors that imperil children and youth.

Foster Care. The foster care program saw an expansion of days of care and received a strong evaluation from the Department of Public Welfare. Foster care staff facilitated 20,576 days of care for 98 foster children, a 10 percent increase in days of care. Eleven sibling groups were placed together. Of the 37 children who were discharged, 27 were successfully reunited with their birth parents or relatives, and 10 were adopted by their COBYS resource family.

Eleven new resource families

were approved during the year, with the total number of approved families decreasing from 53 to 50. With an unusually large number of families (36) completing training during the past year, staff anticipate approving a record number of new families in the coming year. During the annual inspection by the Department of Public Welfare in July, inspectors commended staff for the quality training and support COBYS resource families receive.

Permanency. The Permanency Unit provided services for 80 children from 46 families, down slightly from the previous year. Thirteen of those children took steps toward adoption while 17 were able to return home to their parents. Staff rejoiced with one child who graduated from high school and expected to enroll in college in fall 2011. Three new caseworkers joined the staff during the year. The goal of this specialized program—which is based in Lancaster and operated in partnership with the Lancaster

County Children & Youth Social Service Agency—is to find a permanent home for foster children as quickly and safely as possible.

Group Home. In October 2010 the Board of Directors made the difficult decision to discontinue the Teen Mother & Child Group Home program, which had served teens and babies at a Manheim facility for 15 years. The home closed its doors on November 18. With the trend in the child welfare system toward seeking more local, less costly placements, fewer counties are utilizing residential facilities. Residents at the home were referred by county agencies, with those agencies reimbursing COBYS for services provided. The number of referrals had trended downward over a several-year period.

The Board of Directors is seeking to sell the group home property to free resources for new or existing ministries.

Financial Support. After experiencing a sharp drop in private giving the previous year, total giving to the general fund for the 2010/2011 fiscal year rebounded by 2.75 percent. We rejoice in reversing the downward trend in giving and thank the generous donors who made it possible, despite economic uncertainty.

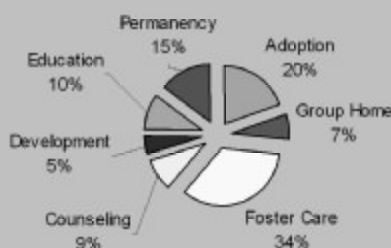

Audited financial statements are available upon request.

Thank You

We are grateful for the many people who undergird the ministries of COBYS Family Services. Those listed on the following pages supported COBYS with financial gifts, in kind donations, or volunteer hours between July 1, 2010, and June 30, 2011. Every effort has been made to make this list complete.

Please let us know if your name has been inadvertently omitted or if you would prefer not to be included on future donor lists. Contact Don Fitzkee at 800-452-6517 or don@cobys.org.
